We are a small rural community in Mid Kerry. The community hall was built in the early 80's by the local people. We are a group of voluntary members that formed a committee in order to organise events and upkeep the Community Hall for the local community. We are a non-profit organisation

Our charity cycle event is a vital initiative aimed at promoting inclusion and empowerment within our community, raising funds to aid the upgrade of our facilities in the local Community Hall. The event will feature cyclists of all skill levels coming together to pedal for a cause, showcasing our community's spirit
